

2011 Projects

WLCI Rank	WLCI Score	Agency/ Office	Project Name	Project Description	Funding Request	Partners, Contributors, or Participants	BPS	Category	Former WLCI funding	Example of multi-year projects	LPDT
			ACCESS								
		LSRCD	Baggs Deer Crossing	additional access		LSRCD		Access	Carbon		
x	FY10 123/200	USFS	Increasing Habitat Effectiveness in Key Wildlife Areas of Greys River District	Delineation and assessment of habitats affected by Forest routes (2009) and treatment of habitat to address identified priorities.	\$42,000	WGFD and WY State Trails	47138	Access	No	Yes	Sublette Lincoln
			ASPEN								
	FY09 128/170	BLM PFO	Wyoming Front Aspen Treatment	Conifer removal and aspen regeneration. Continuation of a ten year project with multiple partners involved.	\$65,000	Rocky Mtn Elk Foundation, WYGFD, Wyoming Div. of Forestry	36504	Aspen	Yes	Yes	Sublette
	FY09 118/170	BLM RFO 030	Aspen Conservation Joint Venture: Fringe Project Phase I	Restoration of aspen woodland communities. Will also enhance watershed/ecosystem function and improve aquatic and terrestrial wildlife habitat	\$190,000	FWS, WGFD, DU, TU, Private Landowners	45523	Aspen	Yes	Yes	Carbon
	FY09 111/170	BLM RFO 030	Little Snake Aspen Treatments	Conifer removal and aspen regeneration through mechanical treatments and prescribed fire		LSRVCD, WY Wildlife and Natural Resource Trust	45359	Aspen	Yes	Yes	Carbon
10	100	KFO	Commisary White Bark Pine	Remove diseased white bark and limber pine to reduce the spread of mountain pine beetle and whitepine blister rust	\$40,000	USFS	52895	Aspen	No	Yes	Lincoln/Uinta
3	156	Forest Service	Mill Creek Aspen Regeneration	Utilize a variety of methods to treat aspen stands in an effort to enhance riparian areas	\$50,000	Forest Service, WGFD	56738	Aspen			
			EASEMENT								
			FENCING								
6	118	KFO	Fish Creek Fence	convert 3 miles of sheep wire with two top strands of barbed wire to BLM wildlife friendly fence standards.	\$80,000		57194	Fencing	No	No	Lincoln/Uinta
9	102	Uinta Development Co	Granger Lease Fencing	Decrease migration corridor barriers for antelope and mule deer by converting fence to wildlife friendly standards	\$25,000	Anadarko	57061	Fencing	NO	NO	Lincoln/Uinta
	FY09 103/170	WGFD	Grizzly WHMA Fence Conversion	Continue removal of fences considered to be wildlife barriers	\$40,000	BLM, Permittees	45357	Fencing	Yes		Carbon
	FY09 100/170	BLM RFO 030	Rawlins Fence Conversions	Convert fences currently inhibiting wildlife movement to wildlife friendly fences	\$79,000	WGFD, Permittees	45507	Fencing	Yes		Carbon

	FY09 101/170	USFWS Seed- skadee	Improve Refuge Boundary Fence for Pronghorn Antelope Migration	Modifying the Refuge's existing fence line and installing wide gates in strategic areas will reduce known impacts on pronghorn antelope migration	\$32,000		47141	Fencing	No	Potential	Lincoln Sweetwater
	FY10 165/200	Green River Valley Land Trust	Wildlife Friendly Fencing Initiative	Replace fence in critical migration corridors	\$200,000	Industry, WGFD, Wildlife Heritage Foundation, Bowhunters of WY	52969	Fencing	No		Sublette
5	119	BLM RFO 030	Shirley Basin Sage Grouse Habitat	Modify fencing for migration, protect natural water sources with exclosures, build up to 10 miles of pipeline and 5 new water troughs	\$50,000	MedBow CD, Allotment permittees, WWNRT	54674	Fencing	No	Yes	Carbon
8	108	BLM RFO 030	Platte Valley Mule Deer Habitat Management	Modify fencing for migration, protect natural water sources with exclosures, build pipeline to supply new water troughs	\$25,000	SER CD, allotment permittees, WWNRT, WGFD, RMEF	54680	Fencing	No	Yes	Carbon
x		BLM KFO 090	Twin Creek Sage- grouse Exclosure	enclose flowing well to increase sage grouse habitat	\$75,000					landowner	50060
			INVASIVES								
	FY2009 101/170	BLM RSFO 040	Bitter Creek and Red Creek Tamarix Removal	Biological and herbicide control of Tamarix on Red Creek for improved native riparian vegetation, habitat quality and reduced erosion	\$35,000	Bitter Creek: RSGA, Anadarko, SWCW&P Red Creek: Adam Lerrick, WYGFD, SWCW&P, Kanda lateral mitigation fund	45353	Invasives	2007, 2008	Yes	Sweetwater
	FY10 150/200	BLM PFO 100	Boulder Jonah Cheat grass	Invasive species treatment	\$35,000	Sublette Co. Weed & Pest	52970	Invasives	No	Yes	Sublette
12	72	FS	Flaming Gorge Halogeton	Understand mechanisms of halogeton invasion, restore and maintain salt-desert shrublands, and determine other species that may be needed to control halogeton spread and invasion into salt-desert shrublands	\$60,000	Forest Service, NRCS, University of WY, WRRRC, permittees	56816	Invasives			
		BLM RFO 030	Ferris Mountain WSA Leafy Spurge Treatment	Treatment of Leafy Spurge in the Ferris Mountain Wilderness Study Area	\$20,600	Grazing Permittees, Carbon County	23693	Invasives	2007	Yes	Carbon
2	161	WGFD	Green River Russian Olive Control	Control Russian Olive Infestation	\$10,000	BLM, City of Green River, County Weed & Pest, Conservation Dist., BOR	54315	Invasives	No	Yes	Sweetwater
	FY10 102/200	BLM RFO 030	Hay Reservoir Weed Treatment Russian Knapweed	Invasive species treatment (Russian knapweed)	\$10,600	Industry, Grazing Permittees, Sweetwater County Weed and Pest District, Permittees, Conservation District	45108	Invasives	No	Yes	Carbon
x		BLM RFO 030	Invasive Species Vegetation Management	Treat invasive species in high priority habitats	\$50,000	BLM, SER Conservation District, MedBow Conservation District, WGFD	54675	Invasives	No	Yes	Carbon

	FY10 110/200	BLM RFO 030	Inventory and Control Desert Alyssum in Lower Muddy Creek Watershed	Treat and monitor desert alyssum		Carbon Cty Weed & Pest, DuPont, Oil & Gas, Permittees	46982	Invasives	No	Yes	Carbon
		BLM KFO 090	Lincoln and Uinta County Noxious Weed Management	Invasive species treatment	\$100,000	Lincoln County Weed and Pest District (Afton, WY) and Uinta County Weed and Pest (Evanston, WY)	51455	Invasives	No	Yes	Lincoln/Uinta
		BLM KFO 090	Muddy Creek and Black Forks Streams Tamarix Removal	Removal of Tamarix (salt cedar) along Muddy Creek and the Blacks Forks Streams for wetland and stream enhancement areas	\$50,600	Uinta County Conservation District, Uinta County	50998	Invasives	2008	YES	Lincoln/Uinta
		BLM PFO 100	Pinedale Field Office Noxious Weed Management	Increases the level of noxious weed control	\$50,000	Green River Basin Coop. Weed Mgt. Area members: Private Land Owners, Allotment Users, USFS, Sublette County Weed and Pest, Lincoln County Weed and Pest.	41006	Invasives	2008	Yes	Sublette
		BLM KFO 090	Raymond Mountain Invasives	Invasive species treatment to improve the forage base for wildlife species in this area	\$50,600	Lincoln County Weed and Pest District (Afton, WY)	44952	Invasives	Yes	Yes	Lincoln
		BLM RFO 030	Sand Creek/Willow Creek Salt Cedar Control	Removal of Tamarix along Sand Creek	\$25,600	Sweetwater County	23685	Invasives	2008	Yes	Sweetwater
		BLM RSFO 040	Sweetwater County Invasive Weed Control	Increases the level of noxious weed control	\$20,000	Sweetwater County, Private landowners	33789 FY06	Invasives	No	Yes	Sweetwater
			RIPARIAN								
	FY2009 116/170	USFWS, WGFD, BLM KFO	B-Q Canal Rehabilitation, Wetlands Improvement	Rehabilitation of about 7 miles of dike for the B-Q Canal; creating a grass bank at Cokeville Meadows NWR	\$135,000	WGFD, WY Audubon Society, Grazing Assn., WWNRT, MDF, RMEF, DU, NRCS, Private Citizens, USGS, Rocky Mtn. Sci. Center, NPS	47140	Wetland/ Riparian	Yes	Yes	Lincoln Sweetwater
	FY10 168/200	RSFO	Bitter Creek Restoration	Replace Dam Structure	\$250,000	Conservation District, Landowner	50061	Riparian	No	Yes	Sweetwater
	FY10 115/200	RSFO	Buckhorn18 mile flow well sage grouse exclosure and well head replacement	Enclose flowing well to increase sage grouse habitat	\$165,000	Permittee	50059	Wetland/ Riparian	No	No	Sweetwater
		RFO	Colorado River Erosion control	Implement erosion control measures to reduce sediment and salt loading into the upper Colorado River watershed.	10,000	Combine with Muddy Cr	50686	Riparian	No	Yes	Carbon
		RFO	Dirtyman Fish Barrier	Remove fish barriers	72,000		45524	Riparian			Carbon

x		RFO	Fish Barrier Removal Savery/Baggs	Remove barriers from Savery/Baggs drainages. Improve fish habitat.	\$100,000	LSRCD	50065	Wetland/ Riparian	No	Yes	Carbon
	FY10 150/200	Green River Greenbelt Task Force	Killdeer Wetlands Rehabilitation	Construct Killdeer Wetlands rock sill to elevate river flow on the Green River to restore water in a wetland area.	\$250,000	City of Green River, Green River Green Belt Task Force	45366	Wetland/ Riparian	No	No	Sweetwater
	FY10 145/200	RFO	Muddy Creek Fish Passage	Improving in-stream and riparian habitat through installation of in-stream rock structures. Reconnect 6 miles of fragmented habitat with the Muddy Creek	\$180,000	BLM, LSRCD, WGFD, USGS	45522	Riparian	No	Yes	Carbon
1	164	BLM RFO 030	Muddy Creek Sheet Piling Modification	Modify and monitor sheet piling structures to allow native fish passage	\$50,000	BLM, WGFD, TU, LSRCD, local landowners	54544	Riparian	No	Yes	Carbon
	FY2009 78 out of 170	BLM RFO 030	Muddy Creek Vegetation Enhancement	Plant willow and other shrubs	\$10,000	WGFD	45544	Wetland/ Riparian	No		Carbon
	FY10 153/200	RSFO	Seedskadee Wildlife Refuge	Cottonwood Restoration	\$325,000	FWS	50677	Riparian	No	Yes	Lincoln Sweetwater
		WGFD	Trumpeter Swan Nest Site Enhancement Project	Restore and enhance wetland habitat for spring through fall habitat for trumpeter swans and other wetland dependent avian species	\$100,000	USFS, Upper Green River Grazing Association, DU	50684	Wetland/ Riparian	Yes	Yes	Sublette
FY2012			Twin Creek sage grouse exclosure	Improve wetlands. Increase sage grouse habitat	\$75,000	Permittee	50060	Wetland/ Riparian	No	Yes?	Sweetwater
7	109	SER CD	Riverside Stream Enhancement	Replace existing dam structures to fish friendly Rosgen rock structures on North Platte and Encampment Rivers and tributaries	\$39,000	NRCS, WWNRT, SER CD, landowners	54931	Riparian	No	yes	Carbon
			OTHER								
	FY10 160/200	BLM SO	Wyoming Basins Native Plant Development Program	Development of native forbs found by WAFWA to be of conservation benefit to the sagebrush obligates that are not commercially available	\$40,000	Private Growers, Plant Materials Ctr, Meeker CO & Bridger Plant Materials Ctr (NRCS), Wind River Seed, WY Working Groups, NPS, USFS	52996	Other Veg Treatment	Yes	Yes	All
11	92	BLM RFO 030	Baggs Juniper Treatments	Remove 100 acres of juniper	\$50,000	LSRCD, WWNRT	45521	Other Veg Treatment	No	Yes	Carbon
		BLM RFO 030	Treat Sagebrush Habitat (JO Ranch)	Riparian treatment in sagebrush ecosystems as part of the Monitoring without Borders Team effort	\$25,000	WGFD, South Central Sage Grouse Working Group, Industry, Rawlins Three Shot Foundation	45105	Other Veg Treatment	No		Carbon
